Join us as Centennial Park glows bright for the annual Salt Spring Island Holiday Light Up. Gather in the heart of Ganges for a cheerful evening filled with twinkling lights, cozy treats, and community spirit.

Enjoy live carol singing by Viva Chorale and the Children's Choir, bringing classic holiday spirit to the heart of Ganges. Warm up with free hot chocolate and Christmas cookies from Country Grocer, perfect for sipping, nibbling, and celebrating the season together.

This year, BC Hydro is helping illuminate the season by decking out the big tree in Centennial Park with lights. And just a short stroll away, the Salt Spring Lions will be lighting up Rotary Park behind Thrifty Foods, right on the water.
